Our Water is Okay!

Our association has lately been riding quite a roller coaster regarding the quality of our water.

We are happy to report that the most recent battery of tests conducted on our water at six different locations in the neighborhood has shown arsenic levels **BELOW** the international limits for arsenic.

Arsenic levels in the water at Lakeside vary significantly. The variations can be caused by seasonal rain levels or differing chemical concentrations in the surrounding rock strata.

We are happy to report that our association water continues to be clean and potable.

Water Conservation

Water continues to be an important topic in Lakeside neighborhoods.

Our population at Lakeside as well as in Guadalajara is growing. This growth is causing increasing usage of water.

Now and in the future all of us must take steps to use water wisely. One important place to reduce water consumption is in the garden.

Some ways to conserve water include:

- Applying mulch to reduce evaporation and supply nutrients
- Using automatic watering systems
- Reducing the amount of grass or lawn.
- Planting low water-use plants such as:
 - Succulents, cacti
 - Oleander
 - Lantana
 - Bougainvillea

Conserve water now, so we will have enough water in the future.

Crime Prevention

Recently our neighbors have experienced some robberies and a very unfortunate assault. We urge all residents to be very careful about their home security. Here are some recommended precautions.

- Lock all entrance doors, windows and gates.
- Do not admit any strangers to your home.
- Be aware of any unknown people or vehicles on your street.
- Install automatic lights and security systems.
- Report all instances of break-ins or suspicious activity to the office.

For lots more home security tips, go to our [chulavista-lakeside](http://chulavista-lakeside.com) website. For English : https://docs.wixstatic.com/ugd/57a425_39c35ee60e064aa99eca10e0c32bb127.pdf

For Spanish : https://docs.wixstatic.com/ugd/57a425_3f3d0e226d504db4acbc27d8a146bfe8.pdf

We encourage everyone to participate in their VEA or Neighborhood Watch group.

If your street doesn't have a Watch group, please start one or volunteer to be a co-captain with your neighbor. We can all be safer if we work together.

Good Dog Behavior

Our Association's Rules & Regulations plus good manners require dog owners to properly monitor their dogs. Owners must be aware of their dogs' locations when entering or leaving their properties or vehicles. In addition, dogs must be under control when being walked.

We have had some recent incidents where dogs have gotten out of their homes or gotten loose while on a walk and attacked other dogs. Those dogs have required medical treatment.

Also, dog owners must be aware of and take measure to limit their dogs' barking.

Please be a responsible dog owner and control your dogs.

Voting Registration Help

United States midterm elections are coming up soon. U.S. citizens are encouraged to exercise their right to vote.

If you don't know how to do this from abroad, Chula Vista resident Emily Perey is willing to help other Chula Vistans register to vote and request absentee ballots. It doesn't matter what your party affiliation is. Make your voice heard!

Contact Emily at cell phone 333-487-1818. From a land phone, start with 045.
