## CHULA VISTA NEEDS YOU!

The Association of Chula Vista is seeking to increase participation in the activities of the neighborhood.

We need volunteers who are interested in donating some of their time and energy to enhance life in Chula Vista. People who are interested in the Neighborhood Watch Program, the environment, our water system or other aspects of living in Chula Vista are needed.

Being a member of the Board of Directors is one way to participate in the life of the community, but it is not the only way. We appreciate folks who are willing to work on a variety of projects.

We particularly need the active participation of the Mexican members of the Association.

## Dogs, dogs, dogs!

We love our dogs in Chula Vista. Many dogs are fine members of the Association, but others are not trained to be so neighborly.

Recently the Association has put up signs reminding all dog owners and dog walkers that they have specific responsibilities for their dogs. The signs remind our Association members that all dogs must be walked on leashes and owners or walkers must pick up their dogs' poop. The Association has even installed plastic bottles for the disposal of bags of dog poop on the poles displaying the signs.

All of us dog owners need to do our small part to make our neighborhood dog- and people-friendly.

## Emergency information

Recently some Chula Vista residents were involved in an emergency health situation. We recommend that all owners and renters have a listing of their emergency contact information in an easily accessible place in their home. Some people put their contact information in a plastic container in the freezer.

In addition, everyone should provide emergency contact information to the Chula Vista office. The office has a simple form for your use.
