### CHULA VISTA NEEDS YOU!

The Association of Chula Vista is seeking to increase participation in the activities of the neighborhood.

We need volunteers who are interested in donating some of their time and energy to enhance life in Chula Vista.

Being a member of the Board of Directors is one way to participate in the life of the community, but it is not the only way. We appreciate folks who are willing to work on a variety of projects.

We particularly need the active participation of the Mexican members of the Association.

## Chula Vista says "Thank You"

Our neighbourhood has much for which to be thankful this past year.

The Board has been working very hard this past year to maintain and improve the quality of life in our Colonos. In particular, we are delighted that the relocation and installation of the new equipment for Well #1 on Avenida del Parque was so successful. The new well will ensure that Chula Vista continues to have a safe and reliable supply of water in the future. Especially, we want to thank the majority of homeowners in Chula Vista who paid their share of the assessment of the cost of the well promptly. You all contributed significantly to enhancing our Colonos.

In addition, we want to thank the Municipality of Chapala for granting us the Concession Agreement that we have sought for so long. We really appreciate the Municipality's support of our Colonos and its rules and regulations.

Special thanks go to Presidente Alejandro Aguirre Curiel, Mayor of Chapala, for his actions in helping Chula Vista remain a desirable residential community by removing the illegal taco vendor who had installed a taco stand in Chula Vista street on the Carretera. We appreciate his attention and support of our concerns.

Last, but not least, we want to express our appreciation for the hard work and dedication of our Chula Vista staff. Both inside and outside, they work tirelessly to make sure Chula Vista runs efficiently. We extend our heartfelt thanks to Lucy, Jose, Rosario, Victor, Francisco and Luis. We are truly blessed to have all of you as part of Chula Vista.
